

CHRISTLETON HIGH SCHOOL

## ADMISSION POLICY 2019 – 2020

- 1 Christleton High School is an 11-18 Academy. The Governing Body is the admissions authority and the admission limit for September 2019 is 208 places.
- 2 Christleton High School's admission arrangements are reviewed by the governing body of the school on an annual basis following discussion with the Local Authority. Information on the admissions and appeals process appears in the Authority's booklet "**Transferring to Secondary School – Applying for Secondary School Places.**" The booklet is available in September and can be viewed on the Local Authority's website or a hard copy can be obtained on request.
- 3 In prioritising applications from parents expressing a preference for the school, the following criteria are used:

Children with Education Health and Care Plans (EHCPs) where CHS is named on the statement, and who meet the minimum entry requirements, will have automatic entitlement to a place at CHS, and will be admitted before all other applicants.

- a Looked-after children or previously Looked-after children but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). The definition of Looked after is as follows: A child is looked after by a local authority if he or she has been provided with accommodation for a continuous period of more than 24 hours, in the circumstances set out in sections 20 and 21 of the Children Act 1989, or is placed in the care of a local authority by virtue of an order made under part IV of the Act. Formal consultation on this change did not take place as this amendment was a mandatory requirement.
- b Children for whom there are particular medical or social reasons which, in the Governors' view, justifies admission to a particular school. Supporting evidence from a registered professional, such as a medical practitioner, psychologist or social worker, must be provided which sets out the particular reasons why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school. A panel of Governors will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application.

The Governors, if it is considered appropriate, will seek the views of the School Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received. Few applications fall within this category.

- c Siblings – students with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school, and expected to continue at the school in the following school year.
  - d Children resident within the designated catchment zone of the school. Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the closing date for applications.
  - e Children not resident within a school’s local catchment zone but attending a school designated as a partner school for admissions purposes, as out-of-zone students.  
These Primary schools are:
    - Barrow CE
    - Boughton Heath
    - Cherry Grove
    - Christleton
    - Huntington
    - Oldfield
    - Saighton CE
    - Waverton
  - f Children of staff employed by the school who have been employed for two or more years by the 1 September of the year of entry, or who have been recruited to meet a particular skills shortage.
  - g. Distance - Distances are measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child’s home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG). Proof of address may be required to verify place of residence.
- 4 Where the school can accommodate some, but not all students qualifying under one of the preceding criteria, priority will be given to students having regard to the subsequent criteria.
- 5 Late applications for places will be considered after all applications received on time.
- 6 Repeat applications will not be considered within the same school year, unless the parents’ or the school’s circumstances have changed significantly since the original application was made.

## Admissions to Year 12

- 7 Applications for admission to the Sixth Form of a Cheshire West and Chester school are dealt with by the school in line with the relevant published admissions arrangements and not by Cheshire West and Chester Council.
- 8 Children already in the school are not required to apply formally for places in Year 12 but should have reached the minimum entry requirements for admission into the sixth form, where relevant. Minimum entry requirements are the same for internal and external applicants.
- 9 Schools will not interview students or their families for entry to year 12, although meetings may be held to provide advice on options and entry requirements for particular courses.

### Sixth Form Minimum Entry Requirements

- 10 The normal minimum entry requirements for admission to the sixth form to study primarily at A level is 5 GCSEs grade 9 to 4 (or equivalents including old letter gradings) including English and Maths. Further information on specific course entry requirements will be provided by the school.
- 11 Minimum entry requirements for admission onto specific vocational courses vary and a full list of requirements can be obtained from the school. Parents are advised to contact the school for further information.
- 12 Sixth Form Admission Arrangements - Oversubscription Criteria
  - a Looked-after children or previously Looked-after children but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). 13 Published Admission Number – External Candidates Only

The maximum admission number for the admission of external candidates is 40 places. This number relates to the admission of external candidates only and is based on an estimate of the maximum number of external candidates likely to be admitted, although it would be acceptable to exceed this if demand for available courses can be met.

**Waiting Lists**

In any year where CHS receives more applications for places than there are places available, a waiting list will operate until 31<sup>st</sup> December of the same year. The waiting list will be maintained by the School and it will be open to any parent to ask for their child's name to be placed on the waiting list, following an unsuccessful application.

Position on the waiting list and allocation of places will be determined solely in accordance with the over-subscription criteria outlined above. When a place becomes available, the name at the top of the list will be automatically contacted. Whenever a new applicant is added to the waiting list, the list will be re-ordered in accordance with the oversubscription criteria.

**Appeals**

Parents who are dissatisfied with the school's decision not to admit their child(ren) may appeal to an Independent Appeals Panel against that decision. The determination of the panel will be made in accordance with the School Admission Appeals and will be binding on all parties.

CHS will use the independent appeals service provided by the local authority. Independent Appeals Panels are appointed in accordance with the School Admission Appeals Code.

Appeals should be made, in writing, to Christleton High School within 20 school days from the date of notification that the application was unsuccessful.

The panel will consist of three people (two will have education experience and one will be an independent person with no education experience). The panel will consider the case put forward, it must consider the admission arrangements for the School and the reasons why you want to attend this particular institution. The panel must exercise its discretion by balancing the weight of arguments.

The decision of the Independent Appeals Panel is binding on both the School and the student/parents.

The School will not consider repeat appeals by the same applicant in the same academic year, unless the applicant is able to prove that there have been material changes in their circumstances since the previous admissions appeal.

Approved by the Governing Body on 8 November 2017
