

British Values Statement

At Christleton High School, we take our responsibility to prepare children for life in modern Britain very seriously. We value the ethnic backgrounds of all pupils and undertake a variety of events and lessons to celebrate and explore these alongside other cultures in our country.

We ensure that the fundamental British Values are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas provide a vehicle for furthering the understanding of these concepts. Our cross-curricular approach provides excellent opportunities to deepen and develop understanding of the spiritual, moral, social and cultural education of our children.

The school makes considerable efforts to ensure children are exposed to a wide range beyond their local community during which these concepts are shown. For example, sporting events, a range of visits and use of outdoor education centres. Their strong rooted values give them an excellent platform for embracing difference.

At Christleton High School, we value the voice of the child and promote democratic processes such as our School Council whose members are voted for by the children. Ideas and events are planned and discussed, with an opportunity for debate and putting forward points of view.

We expect all our children to be good role models for each other, which is encouraged through high expectations of behaviour.
