

CHRISTLETON HIGH SCHOOL

MALPRACTICE POLICY – SUMMER 2021

Christleton High School manages malpractice, in accordance with the JCQ General Regulations for Approved Centres. Under normal delivery arrangements we take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations and report and investigate as detailed in the school's Examinations Policy according to the requirements.

This policy addresses malpractice under the specific arrangements for delivery in Summer 2021.

All staff involved have been made aware of this policy.

General principles

In accordance with the regulations Christleton High School will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after the determination of grades process
- inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation, including:
 - the JCQ M1 form in a case of suspected candidate malpractice
 - the JCQ M2 form in a case of suspected malpractice/maladministration involving a member of centre staff
- as required by an awarding body, investigate any instances of alleged or suspected malpractice (which includes maladministration) and provide such information and advice as the awarding body may reasonably require

Where reference is made to candidates, this includes any private candidates accepted by the centre

Reporting malpractice

Candidates (or an individual acting on their behalf)

In accordance with JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for Summer 2021 each candidate will be made aware of the evidence that is going to be used and understand that the range of evidence used to determine a grade is not negotiable.

Where a candidate might attempt to gain an unfair advantage during the centre's process on the determination of grades by, for example, submitting fabricated evidence or plagiarised work, or any other act deemed as malpractice, Christleton High School will submit a report of suspected candidate malpractice to the relevant awarding body.

Where a candidate, or an individual acting their behalf such as a parent/carer, might try to influence grade decisions by applying pressure to the centre or any of its staff, the school will keep and retain clear and reliable records of the circumstances and the steps taken, and make the candidate aware of the outcome. This will include a record that confirms the candidate had been made aware of the evidence that was going to be used and understand that the range of evidence used to determine a grade was not negotiable.

However, if a candidate or an individual acting on their behalf continues to inappropriately attempt to pressure centre staff, a report of suspected candidate malpractice will be submitted to the relevant awarding body.

A report will be submitted by completing the appropriate documentation as guided by the individual awarding body concerned, including the form JCQ M1 Report of suspected candidate malpractice.

Centre staff

Christleton High School will report any instances of potential malpractice (which includes maladministration) where any centre staff fail to follow the published requirements for determining grades.

Examples of potential malpractice taken from the JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for Summer 2021 includes but is not limited to:

- Exam entries are created for students who had not studied the course of entry or had not intended to enter for June 2021
- Grades created for students who have not been taught sufficient content to provide the basis for that grade
- A teacher deliberately and inappropriately disregarding the centre's published policy when determining grades
- A teacher fabricating evidence of candidate performance to support an inflated grade

- A teacher deliberately providing inappropriate levels of support before or during an assessment, including deliberate disclosure of mark schemes and assessment materials, to support an inflated grade
- A teacher intentionally submitting inflated grades
- A failure to retain evidence used in the determination of grades in accordance with the JCQ Grading guidance
- A systemic failure to follow the centre's policy in relation to the application of Access Arrangements or Special Consideration arrangements for students in relation to assessments used to determine grades
- A failure to take reasonable steps to authenticate student work
A failure to appropriately manage Conflicts of Interest (COIs) within a centre

- Grades being released to students (or their parents/carers) before the issue of results
- Failure to cooperate with an awarding body's quality assurance, appeal or investigation processes
