PM REG KS4	Rm 19			Rm 19	

Dear Parents and Carers

We are acutely aware that due to logistics and staffing those students who are accessing the provision within school will not be able to actively participate in their 'at home PE lessons' within school time. It is vitally important to us as a school that during their time in school your child has access to some form of Physical Education for both their physical and mental health and well-being.

Therefore, on two days a week students will be asked to go straight to the sports hall in form time rather than their allocated room to take part in various sports e.g. Badminton, Table tennis etc. They will be registered by PE staff and classroom staff in the sports hall.

Please see the rota above which will start Monday AM for KS3 and PM for KS4, if your child's room is on PE that day they must report to the sports hall at form time (8.40am KS3 or 3pm KS4) we will also open the sports hall up from 8.30am if students would like to come a bit earlier to get some more playing time.

If students wish they can attend school in their PE kit on PE days however, if incorrect kit is worn this option will be taken away.

During the time students would usually have PE on their timetable they will be advised to do the following;

Y7 & Y8 we ask that they complete additional mathswatch/mymaths/TTrockstars, memorise or reading.

Y9 can use the time to complete their Y9 PE project, they will find all of the information on their google classrooms OR complete additional mathswatch/mymaths/TTrockstars, memorise or reading as above.

Y10 BTEC Sport students can revise for Unit 1

Y11 BTEC Sport can continue with their assignments

Y10/11 students who do not take PE can revise or do homework.

Thank you for your understanding in these difficult times,

Kind regards,

Mrs E Stewart
